

YPN Lip Sync Battle Performer Information and Rules:

1. Acts/groups can be between 1-10 participants. Each group member must be a REALTOR® at any local association, an affiliate member of Greater Nashville REALTORS®, or a paid employee of a Greater Nashville REALTORS® member firm.
2. There is no entrance fee, but each person performing must purchase a ticket to the event (\$25). Tickets can be purchased through [Eventbrite](#).
3. Songs must be between 2-2 ½ minutes in length. If your song is longer than that, you are responsible for editing it to the correct length.
4. Multiple groups cannot use the same song. For example, the first person/group to submit all the necessary information to reserve a performance spot also reserves that song. If you submit a performance reservation request and another performer has already chosen your song, you will be asked to choose another song.
5. Once a performance spot is reserved, you cannot add additional group members.
6. Songs must be “work friendly” and contain no foul or obscene language. Final determination of the appropriateness of a song lies with YPN and Greater Nashville REALTORS®.
7. Costumes and choreography are highly encouraged!
8. Trophies and/or prizes will be awarded as chosen by our judge’s panel in several categories: Best Costumes, Best Choreography, Best Song Choice, Most Humorous Performance.
9. Audience members will vote on the “overall favorite”. Encourage your office mates to attend and vote for you!
10. It should be understood, but please remember to keep all performances, costumes, and choreography appropriate for a work environment. Again, YPN and Greater Nashville REALTORS® will have final say as to if something is deemed inappropriate.
11. All acts will have the opportunity for a dress rehearsal of their performance on the Listening Room Café stage prior to the event on April 25.
