2019 EDUCATION SCHEDULE — MAY —

CODE OF ETHICS REQUIRED BY THE NATIONAL ASSOCIATION OF REALTORS

NEW changes for the *Code of Ethics* mandate!! The National Association of Realtors requires all members of Realtor Associations to complete an approved *Code of Ethics* course between Jan. 1, 2019 and Dec. 31, 2020. NAR's mandate is now a once every two-year requirement for all Realtors whether or not you are a Broker or an Affiliate Broker. You MUST take this course even if you are "grandfathered" and the state does not require that you take continuing education. **NOTE:** The *Realtor Code of Ethics* course is NOT the same course as the Tennessee Real Estate Commission's *TREC CORE* course, which is required for real estate license renewal by many agents.

To successfully represent and satisfy their customers, agents must be effective negotiators. In fact, the most recent NAR Profile of Home Buyers and Sellers reports that 87% of buyers identified negotiation skills as a very important quality for their real estate agents. Since another key element of success is developing and sustaining relationships, agents must consider not only the outcome of a negotiation but also their rapport with the other party. This course provides negotiation strategies that enable you to achieve mutually satisfying results rather than haggling over issues that can derail transactions. Through highly-interactive role playing activities, you will develop and practice scripts that can prepare you to successfully negotiate with all parties in a transaction, including clients, other agents, and service providers.
