refuse to contribute without reprisal and the National Association of REALTORS® or any of its state associations and local boards will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by your State PAC to support state and local political candidates. Until your state PAC reaches its RPAC goal 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a; after the state PAC reaches its RPAC goal it may elect to retain your entire contribution for use in supporting state and local candidates.
